Sylvan Heights Science Charter School strongly encourages families to continue to be proactive in reducing the risk of COVID-19 by **not congregating at school pick-up sites once meals have been distributed.**

We continue to encourage families to practice hand washing and to refrain from touching eyes, nose and mouth with unwashed hands. Please be mindful of social distancing, and please stay home if you or your child have cold or flu-like symptoms.

Again, we would like to thank you for our time and patience as we work through this challenging time. Should you have any questions, please do not hesitate to email me at [sroth@shscs.org](mailto:sroth@shscs.org).

Sincerely,
